2 February 2023

Repairs to retaining wall – 116 Slad Road, Stroud

Dear Resident,

What: Road closure (24/7)  
Where: B4070 Slad Road (between Libby's Drive and 159 Slad Road)  
When: 13 February to 10 March 2023

On behalf of Gloucestershire County Council, we will shortly be undertaking repairs to the damaged retaining wall.

**Access**

Due to the width of the carriageway and equipment used, we will need to close the road. To ensure the safety of road users, the closure will remain in place until the works completion. Overleaf is a map showing the extent of the closure and diversion route.

Local access will be maintained to the points of the works. We will work with residents within the closure area to ensure that they can access their driveways, where applicable. Pedestrian access will be available.

We have planned the work so we can be in and out as quickly as possible.

**Diversion**

The official diversion route which will be signposted and suitable for all vehicles that would normally use the closed road.

We would like to take this opportunity to thank you in advance for your co-operation.

Yours sincerely

pp.

Anthony Mander
